| 20140769-EZ | Cajun Vets, LLC | Jefferson | The new concept, Bobby Hebert's Cajun Cannon, is unlike any other sports-themed restaurant in the area. By combining Louisiana sports culture and authentic Louisiana food culture, Bobby created a venue that appeals to sports fans and foodies alike. Patrons will chow down on an extensive array of delectable selections like char-grilled oysters, crab cakes, jalapeno alligator bites, po'boys, blackened and fried seafood, pastas, steaks and much more. If you prefer a big burger while you watch the game, well, Bobby thought of that too. In addition to the Deluxe Beauxburger, named after his son, Bobby offers the ultimate | Start-Up/New | 250 | 250 | \$1,500,000 | \$1,500,000 | \$1,307,915 | 4101 Veterans Blvd | Metairie | James Leonard (225) 769-1818 | 722511 | \$625,000 | \$2,254 |

Information presented based on applicant provided data. Total Jobs includes existing baseline jobs at the time of the application and the applicant's projected number of new jobs over a five year period. Total five year payroll is the sum of 1) annual payroll associated with existing baseline jobs, multiplied by five to cover a five year period, and 2) payroll associated with new jobs over a five year period, with the payroll including anywhere from one to five years of annual payroll for each new job depending on when the applicant projects the job to be added. Jobs associated with the construction, renovation, or addition to the facility are not included.

| 20161463-ITE | CARBO Ceramics Inc. | Iberia | During testing it was discovered grinding times did not meet projected grinding times. Purchase and installation of 4 additional wet mills. Installation will make down system capable of supplying slurry to all six mills, electrical, and mechanical equipment. | Addition | | | \$3,953,772 | 4810 Industrial Drive | New Iberia | Katie Tucker (281) 921-6504 | 327992 | \$414,751 |
| 20161464-ITE | CARBO Ceramics Inc. | Iberia | Install ScaleGaurd process line capable of producing 25 MM pounds per year line with the option to increase to 50 MM pounds per year. A substrate unloading system will be installed with a 50,000 pound storage tank. A 3,000 pound batch system feeding the microwave mixer from Marion Mixers will be used to mix the ScaleGaurd solution with the proppant substrate. There will be two microwave units coupled to the mixer. The Scale Guard solution will be introduced into the mixer through an automatic control valve and flow meter to control accuracy. After the microwave mixer the material will flow onto a belt conveyer and into a bucket elevator transferring the warm mixture to the Solex Cooler. The Solex Cooler is a sealed unit to decrease the coated Scale Guard product from rehydrating with atomospheric water. From the Solex Cooler the material will flow onto a round vibratory screener, screening off any oversize material that has agglomerated. The finished product will flow onto a co | Addition | | | \$2,867,884 | 4810 Industrial Drive | New Iberia | Katie Tucker (281) 921-6504 | 327992 | \$300,841 |

| 20150268-ITE | FMT Shipyard & Repair, LLC | Jefferson | Dry Dock construction to add boat lift capacity at FMT Shipyard & Repair. Shipyard previously had capacity constraints as our existing three dry docks were inadequate to handle existing repair business. A fourth dry dock was needed in order to grow our business beyond existing levels. Dry Dock construction was contracted through Gulf Island Marine Fabricators, LLC of Houma. The construction contract is not broken down between labor, materials and equipment so detail cannot be provided. Payments to Gulf Island Marine Fabricators, LLC on our construction contract totaled \$2,818,829.34. An additional \$284,002.03 was spent on equipment to outfit the vessel. Total investment \$3,102,831.37. | Addition | 15 | \$1,092,000 | \$3,102,831 | 3640 Peters Road | Harvey | Bob Pate (504) 355-4209 | 336611 | \$478,457 |

Information presented based on applicant provided data. Total Jobs includes existing baseline jobs at the time of the application and the applicant's projected number of new jobs over a ten year period. Total ten year payroll is the sum of 1) annual payroll associated with existing baseline jobs, multiplied by ten to cover a ten year period, and 2) payroll associated with new jobs over a ten year period, with the payroll including anywhere from one to ten years of annual payroll for each new job depending on when the applicant projects the job to be added. Jobs associated with the construction, renovation, or addition to the facility are not included.

| 20150829-RTA | 150 Third Street, LLC dba Watermark Baton Rouge | East Baton Rouge | Renovation and redevelopment of vacant, former office building to be rehabilitated into a 144 room full service conference-style hotel with related facilities, including convention/meeting space and a 150 seat restaurant. | Restoration | 114 | \$3,231,078 | \$21,944,750 | 150 Third Street | Baton Rouge | Randy Rousel (225) 346-0285 | 721110 | \$2,794,664 |
| 20152025-RTA | 210 Laurel St. LLC | East Baton Rouge | The building is currently a vacant one story office building that was build in the early 1950's. Its previous use was by the non-profit Fraternal Order of Police. The building is in major need of rehabilitation as it stands today. The approved plan is to renovate the first floor structure while adding two additional floors to create a three story building. The first two floors will be office/retail and the third floor will be residential. The project will create more lease-able/usable space in the downtown market which will in turn drive more economic development in the area, while improving the aesthetics by updating and remodeling an unkempt unattractive building. | Addition | 1 | \$50,000 | \$1,750,000 | 210 Laurel St. | Baton Rouge | William Bailey (225) 229-6333 | 531110 | \$222,863 |

| 20151189-RTA | 3038 St. Claude LLC | Orleans | <p>3038 St. Claude reflects the late 19th century double shotgun style. The front of the house still maintains some of its Victorian styled trim, although much of it has been stolen from years of neglect. The double shotgun style was very popular in New Orleans from the mid 1800s through the 1920s and remains a very significant style to this day. This property is very common to the type of structures that are found on this stretch of St. Claude Avenue.</p> <p>The double shotgun structure is currently in major disrepair. It has been sitting vacant for about 20 +/- years and has already experienced major deterioration. The structure no longer has a roof, much of the exterior wood is rotting, the floors have been stolen from the interior, there is no working electric or plumbing, the interior plaster has extensive damage, and cats claw is growing on much of the structure. To sum it up, the building is in extremely poor condition and is in danger of falling over at this point.</p> | Restoration | 2 | \$10,000 | \$250,000 | 3038 St. Claude Avenue | New Orleans | Ben Jacobson () - | 531190 | \$41,850 |

| 20150968-RTA | 309-11 Chartres Development, LLC | Orleans | We will be working closely with an experienced rehabilitation specialist on the plans and construction. The scope of the project is to fully restore this blighted and long-time vacant historic property, which will add curb appeal and quality residences and retail space to the neighborhood. Currently, the building is a gutted old warehouse, with art Gallery in the first floor, which is in need of a full structural, electrical and mechanical rehabilitation. We will be rehabilitating the building so that there will be 6 residential units and 1 retail space. The property needs repairs both inside and out, which would entail sheetrock, foundation and framing work, stripping, painting, varnishing, etc. These changes will convert the property from vacant and blighted to a contributing part of the French quarter. The only change to the façade will be to clean, replace rotten wood, prime and paint where necessary. | Restoration | 2 | \$90,000 | \$1,500,000 | 309-11 Chartres Street | New Orleans | Michael Craven (925) 272-8360 | 531390 | \$250,988 |
| 20161411-RTA | 3322 Hessmer, LLC | Jefferson | There are four phases to this project: - Exterior Building waterproofing and painting - Exterior ADA parking access and other concrete and emergency stair renovations - Owner occupied second floor interior space renovations - 1st floor tenant interior space renovations Please note we show zero new jobs but there is a future potential for 2-6 by the owner occupant. Construction jobs with all the various subcontractors and trades we likely had 30+/- different tradesmen and workers dealing with all phases of renovation and construction. | Renovation | 0 | \$0 | \$378,000 | 3320 and 3322 Hessmer | Metairie | Robert "Rob" Stevens (504) 229-4862 | 236220 | \$43,716 |

| 20141388-RTA | Brennan Fournerat | Orleans | The unique 4,297-square-foot Craftsman-style dwelling was built in 1909 for \$7,500, and was designed by the famous Favrot & Livaudais architecture firm. This firm also designed other New Orleans gems like the Cotton Exchange Building, the Hibernia Bank Building, and the Latter Library branch on St. Charles Avenue, as well as Tulane and Loyola's campuses. The property is one of only a few residential properties designed by Favrot & Livaudais. The four-bedroom, three-bath home has original stained glass that features tulips in progressive stages of blooming as you move from the front of the house to the back. There is a plaster design of "The Vengeance of Achilles" in the lower study, four fireplaces, and cypress walls and mantles. There is also a mural of an English Fox Hunt above the dining room. The exterior is complemented with a stone and rock wall along the property and an iron fence that surround the home with an "H" for Hudson, the original owner of the home. | Renovation | 0 | \$0 | \$321,000 | 1905 Peniston Street | New Orleans | Brennan Fournerat (504) 914-4748 | 11111 | \$53,567 |
| 20140154-RTA | DECA335, LLC | Orleans | The project is the restoration of two former French Quarter office buildings into one mixed-use building consisting of an owner-occupied residential apartment and commercial space at 335 Decatur and a commercial building at 337 Decatur.. The commercial space will occupy the ground floors of both 335 and 337 Decatur. The owner will live on the 3rd floor of 335 Decatur. The second floor of 335 Decatur and the second and third floor of 337 Decatur will be used for office space and storage. | Restoration | 10 | \$220,000 | \$1,400,000 | 335-337 DECATUR STREET | NEW ORLEANS | Eric Cho (504) 529-3211 | 11111 | \$233,625 |

| 20151958-RTA | Durrett Investments, LLC | Lincoln | The subject Historic "Moving Pictures" Building is located at 202 North Vienna Street in Downtown Ruston, LA. It was constructed prior to 1922 as Ruston's First Performing Arts Theater. The Masonry Building is a tall single story building that originally housed a stage and balcony. At 32 feet tall, the Theater's Plaster Façade was once the defining feature of downtown until the larger Dixie Theater was constructed on the same block in 1928. The front of the building has a single entry point in the center with glass storefront flanking each side of the entry and extending all the way across the lower portion of the front façade. The plasterwork begins above the glass/door/windows and extends up and over the towering parapet. The plaster has raised detailing that is simple, but significant. Durrett Law and Title, LLC, a full service law firm and real estate title company currently based in Ruston, LA, has purchased the Historic building to change the current retail space into its new la | Restoration | 0 | \$0 | \$500,000 | 202 North Vienna Street | Ruston | Benjamin Durrett (318) 780-1809 | 541110 | \$48,000 |

| 20151340-RTA | Jane Place, LLC | Orleans | Renovation of a 910-era historic four-plex in Lower Mid-City, an area of New Orleans experiencing rapid investment and escalating rent burdens for low- and moderate-income households. The building is designed in the Spanish Colonial style and formerly was the Nolde Furniture Store prior to its conversion into multifamily residential use in the 1920s. It is a raised two-story structure that has been blighted since Hurricane Katrina. The historic renovation will create four three-bedroom units of long-term affordable rental housing for households earning below 60% of the area median income. The development is led by Jane Place Neighborhood Sustainability Initiative, a nonprofit housing and community development organization committed to creating sustainable, democratic and economically just neighborhoods and communities. | Renovation | 0 | \$0 | \$742,125 | 2739 Palmyra Street | New Orleans | William White (504) 451-3693 | 11111 | \$124,232 |
