SPECIAL REQUESTS

- **Cornerstone Chemical Company (Contract #20170416-ITE):**

Cornerstone Chemical Company is requesting to amend their existing Exhibit A agreement for Contract #20170416-ITE to reflect a commitment to retain 350 jobs and \$33,000,000 in annual payroll at the manufacturing site.

In addition, while the formal submission of the 2022 Project Year compliance reporting is not due until later in 2023, because Cornerstone anticipates that the 2022 Project Year will be non-compliant for the same reasons as 2020 and 2021, the Company requests that the 2022 Project Year non-compliance be considered at this Board Meeting.

From the Company: *“Cornerstone Chemical Company is writing this letter to make a special request to amend its Exhibit A to include the guidance provided by the local governing authorities in Jefferson Parish. In previous correspondence, LED notified the local governing authorities that Cornerstone Chemical Company was non-compliant according to the existing Exhibit A in the 2021 Project Year. This correspondence gave the local governing authorities until Jan. 21, 2023 to opine regarding this non-compliance. It is Cornerstone Chemical Company and the local governing authorities’ preference that the Exhibit A be amended to reflect a commitment to retain 410 jobs and \$39,000,000 in annual payroll within Jefferson Parish for Project Years 2023 and forward. After further discussions with LED, Cornerstone provided a manufacturing site only anticipated jobs of 350 and \$33,000,000 in payroll at the request of LED to separate the 410 jobs and \$39,000,000 in payroll between the manufacturing site and the company headquarters, both of which are in Jefferson Parish.”*

- **Louisiana Sugar Cane Cooperative, Inc. (Contracts #20170492-ITE, #20170492-A-ITE, and #20170492-B-ITE):**

Louisiana Sugar Cane Cooperative, Inc. is requesting to amend their existing Exhibit A agreements for each contract (#20170492-ITE, #20170492-A-ITE, and #20170492-B-ITE) to reflect the following required jobs and payroll:

#20170492-ITE = create 20 new jobs with \$1,253,973 in payroll

#20170492-A-ITE = Retain 89 jobs with \$6,626,028 in payroll

#20170492-B-ITE = Retain 90 jobs with \$6,644,542 in payroll

From the Company: *“When these contracts were originally filed, we made administrative errors regarding the job requirements in the phases relative to the original project scope. Additionally, we included in our estimates the wages of contract workers who did not meet the state's job definition. We have created the 20 new jobs originally proposed, and believe we have remained in harmony with the spirit and intention of the original project scope, but would like to request the above amendments for consistent reporting moving forward. We sincerely appreciate your time and consideration.”*
