Motion, September 24, 2021

Board of Commerce and Industry

Upon consideration and request by LED program administrators and supervisors, with regard to deadlines for those programs requiring approval or administration by the Louisiana Board of Commerce and Industry, including but not limited to Enterprise Zone, Quality Jobs, Restoration Tax Abatement, and the Industrial Tax Exemption Program (“BCI Programs”), I make the following motion:

1. For applications, compliance documentation, and other contractual documents, and ITEP local notices of action due to be filed with the Department for BCI Programs, during the pendency of **Proclamation Number 170 JBE 2021 (Section 2)**, deadlines are suspended from August 26, 2021 until September 24, 2021 or a later date set by proclamation and, thereafter, subject to an additional thirty (30) day extension of deadlines.
2. Nothing herein affects the standing rules or policy of the Department with regard to requesting extensions of deadlines for BCI Programs.
3. Furthermore, applicants are encouraged to continue their program-related filings and such filings will continue to be processed throughout this time in order to avoid process delays to the extent possible after the emergency is lifted.
4. All as specifically set forth herein, I hereby enter this motion into the record and move that this motion be adopted by the Board for all BCI Programs.
