BOARD OF COMMERCE AND INDUSTRY

Upon consideration and request by LED program administrators and supervisors and upon consultation with the Secretary of LED, with regard to deadlines for those programs requiring approval or administration by the Louisiana Board of Commerce and Industry, including but not limited to Enterprise Zone, Quality Jobs, Restoration Tax Abatement, and the Industrial Tax Exemption Program, (“BCI Programs”), I make the following motion:

1. For advance notifications, applications, compliance documentation, other contractual documents, and ITEP local notices of action due to be filed with the Department for BCI Programs, during the pendency of **Proclamation Number 30 JBE 2020 (Section 5)** and **Proclamation Number 41 JBE 2020 (Section 5(H-K))**, those deadlines are suspended from March 17, 2020 until April 30, 2020 or a later date set by proclamation and, thereafter, subject to an additional thirty (30) day extension of deadlines.
2. Nothing herein affects the standing rules or policy of the Department with regard to requesting extensions of deadlines for BCI Programs.
3. Furthermore, applicants are encouraged to continue their program-related filings and such filings will continue to be processed throughout this time in order to avoid process delays to the extent possible after the emergency is lifted.
4. All as specifically set forth herein, I hereby enter this motion into the record and move that this motion be adopted by the Board for all BCI Programs.
